

2024 GRAND FARM

# STARTUP PLOTS

TRANSFORMING  
AGRICULTURE  
*through*  
STARTUP SUPPORT

## WELCOME TO THE INNOVATION CAMPUS AT GRAND FARM.

Grand Farm's Innovation Campus is a dynamic platform thoughtfully designed to showcase cutting-edge advancements in agricultural technology. Central to our campus, and adjacent to our main event space, these meticulously curated plots provide a live window into the future of agriculture.

### PLOT SPECIFICATIONS, HIGHLIGHTS & PRICING

With thousands viewing them annually, these 0.5-acre plots are living labs for cutting-edge precision agriculture, sustainable practices, and crop management. Designed around the needs of our partners, they highlight their innovative work.

#### PLOT SPECIFICATIONS:

- ✓ 0.5-acre innovative plots
- ✓ Advanced data
- ✓ Insightful on-field AgTech field data/devices
- ✓ Custom farm management endorsed by Grand Farm
- ✓ 20 hours program management assistance/support

#### HIGHLIGHTS:

- ✓ Real-world testing grounds - validate and demonstrate your innovations
- ✓ Broad exposure - leverage Grand Farm's extensive network
- ✓ Collaborative opportunities - interact with industry pioneers and innovators
- ✓ Enhanced recognition - establish your presence in the ag community
- ✓ Exclusive invitations - attend premier industry events and conferences

**COST IS \$5,000 PER 0.5-ACRE PLOT**
