PARTNERSHIP OPPORTUNITIES

TRANSFORMING AGRICULTURE *through* PARTNERSHIP

GRAND FARM IS A COLLABORATIVE NETWORK of innovators, technologists, growers, educators, and policy makers who collaborate to solve agriculture's biggest challenges. Together, with our partners, we research and develop to collaborate to advance groundbreaking solutions to reshape the agricultural landscape.

We invite you to partner with us to transform agriculture and ensure a future for farming.

BECOME A PARTNER. INVEST IN INNOVATION. MAKE AN IMPACT.

Through our global innovation ecosystem, programs, and test plots in North Dakota and Georgia, Grand Farm connects partners to cutting-edge innovation, fostering collaboration among companies, startups, educational institutions, growers, and governments to drive impactful agricultural solutions and accelerate growth.

BASE PARTNERSHIP - \$10,000

Grand Farm is focused on connecting people with problems to those who can help solve them, building collaboration within our ecosystem, and connecting you with our global network of 500+ startups and 2,500+ organizations.

As a partner, you'll enjoy the following benefits:

- ▶ **GLOBAL INNOVATION NETWORK:** Connect with top-tier companies, startups, and educational institutions
- ▶ **VENUE DISCOUNTS & ACCESS:** Exclusive access and discounts to Grand Farm's Innovation Shop and the Prairie Den (Fargo)
- ▶ **TARGETED NETWORKING:** Connect with innovative leaders and groups tailored to your interests
- ▶ **BRAND BOOST:** Enhance visibility with logo placements and digital promotions via social media and marketing materials
- ▶ **EXCLUSIVE INVITES:** Special invites to partner-exclusive events and gatherings
- ▶ **PRIORITY EVENT ACCESS:** Receive two free tickets to Grand Farm conferences, our annual 1 Million Thanks event, and prioritized opportunities for speaking engagements

LAND FIRST ACRE - \$5,000* EACH ADDITIONAL ACRE - \$2,000

Grand Farm collaborates with industry corporations, startups, and researchers to develop real-world farm plots. Companies can lease space to demonstrate, research, and validate their technology, products, or practices, with the option of support from Grand Farm's field management team upon request and availability.

CASSELTON, NORTH DAKOTA INNOVATION CAMPUS

Grand Farm's 590-acre Innovation Campus fosters collaboration among growers, industry professionals, and researchers to develop and showcase the latest in agriculture technology.

- ▶ **INNOVATION SHOP:** Grand Farm's 25,000 square foot shop can host groups of up to 300 with customizable spaces and support.
- ▶ **HIGH TRAFFIC:** The Innovation Campus attracts thousands of visitors from around the globe each year.
- ▶ **PTI NORTH DAKOTA:** The North Dakota Precision Technology Institute by Precision Planting operates on 300-acres at the Innovation Campus.

PERRY, GEORGIA UGA GRAND FARM

Grand Farm and the University of Georgia have teamed up to create "UGA Grand Farm," a 250-acre research hub focused on sustainable agriculture using precision tech, robotics, and data analytics.

- ▶ **TECHNOLOGY:** UGA Grand Farm will have pivot and linear irrigation systems for the 2025 growing season.
- ▶ **HIGH TRAFFIC:** Located next to the Georgia National Fairgrounds, the site benefits from over 1 million annual visitors each year.
- ▶ **NEW FACILITY:** The first building broke ground and is set to open in 2025.

*Availability is limited, and partners must commit by January 1, 2025. Field management services are billed separately, with costs determined by plot protocols. A quote will be provided prior to the start of field management. Services at the Innovation Campus will be overseen by the Grand Farm Fargo team and services at UGA Grand Farm will be overseen by the University of Georgia team.
