INNOVATION SCOUTING PARTNERSHIP BUNDLE

Finding the right technology can take significant time and resources. Our Innovation Scouting Partnership Bundle combines the annual Grand Farm base partnership with a focused scouting engagement designed around your business challenge, helping your team navigate the technology landscape and identify high-fit solutions.

HOW IT WORKS

Includes all Grand Farm base partnership benefits.

1. DEFINE

Start with your business challenge and establish clear criteria to guide the search.

- DISCOVERY SESSIONS
- CHALLENGE DEFINITION
- PROJECT GOALS
- SCREENING CRITERIA
- SUCCESS METRICS

2. SCOUT

Grand Farm searches beyond your existing network to identify and evaluate technologies aligned with your needs.

- STARTUP SOURCING
- TECHNOLOGY LANDSCAPE RESEARCH
- IDENTIFICATION OF RESEARCHERS AND COMPANIES
- EVALUATION OF EMERGING SOLUTIONS
- CURATED SHORTLIST OF HIGH-FIT OPPORTUNITIES

3. CONNECT

Review high-fit solutions and connect directly with companies that may warrant further exploration.

- COMPANY PROFILES AND TECHNOLOGY SUMMARIES
- FACILITATED INTRODUCTIONS
- PRESENTATION SESSIONS
- PILOT READINESS EVALUATION
- RECOMMENDATIONS FOR DEMONSTRATIONS, FIELD TRIALS, OR NEXT STEPS

“Grand Farm serves as a valuable extension of our innovation team, helping us uncover and evaluate emerging technologies with speed and confidence. Their innovation scouting connects us to relevant solutions and shortens the time needed to assess new opportunities. As the AgTech landscape continues to evolve, Grand Farm provides a trusted pathway to identify, validate, and advance innovations that can create real value on the farm.”
